A message from the principal...

Dear CTK Parents and Guardians,

Thank you for joining us. We're so glad you're here! As a graduate of Christ The King Lutheran School, I know, from experience, the difference we offer. CTK has provided academic excellence and Christian education to the downriver community since 1957. We are pleased to welcome you to the CTK family and partner with you in your student's development.

This handbook serves as a reference to important information and operating guidelines of Christ The King Lutheran School. The information contained in this handbook is based on state law, the Michigan Association of Non-Public Schools, and the Lutheran Church-Missouri Synod.

Please remember to lift our church, school, staff, students, and families in prayer throughout the year.

God's Blessings,
Dr. Kelli Kapp-Heifner

Handbook information in this directory was compiled from records of Christ The King Lutheran School. If there are any errors or omissions, we regret any inconvenience caused by them. We worked diligently to make the contents as accurate as possible with the information available.

Mission Statement

“Educated to Disciple, Discipled to Serve”

Standards

Christ The King Lutheran School is recognized by the State of Michigan, accredited by the National Lutheran School Accreditation, and the teachers are certified by the State Superintendent of Public Instruction, as well as our synodical superintendent's office. Graduates and transfers are accepted by all public and parochial schools upon the recommendations of the Principal.

Christ The King Lutheran School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Purpose of Christ The King Lutheran School

The primary purpose of Christ The King Lutheran School is to provide our students with an exemplary academic education within a Christian environment. We also exist to help our students and their families grow into a life of true Christian discipleship as they come to realize God's love for them. A life of discipleship is one in which the person comes to believe in the Lord as his personal Savior, and then also seeks out others who do not yet know Jesus, and helps them come to that same saving faith.

At the same time, the school strives to shepherd each of the individual families into a closer relationship with Jesus. Through our curriculum and daily interaction with the students and parents, we will emphasize the basic characteristics of discipleship, and help our students and their families to meet the challenges set before each Christian in the Great Commission: "Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you."

Matthew 28:19, 20

As a foundation for this spiritual training, the school strives to offer to all students a quality education, which will help them grow and mature intellectually, emotionally, and physically.

Church and Sunday School Attendance

We envision the school as being an integral part of our parish's program to educate and train our young children. Our purpose is to help provide a strong spiritual inclination toward a growing faith and a life of true discipleship. We anticipate that all our students and their families would attend Church and Sunday School (Adult Bible Study) on a weekly basis. Teachers will take and record attendance on Monday mornings.

My Pledge as a Christ The King School Parent

As parent/parents of a Christ The King student/students, we pledge:

1. To pray for our child and all involved in his/her education.
2. To provide a Christian atmosphere in the home, which is the most vital influence in the child's life.
3. To attend worship services and Sunday School faithfully.
4. To take primary responsibility of my child's behavior by encouraging and admonishing our child to obey teachers and the school's rules with respect and prompt attitude.
5. To cooperate with and to uphold the teachers in the exercise of Christian discipline and in the training of our child.
6. To go directly to the teacher in a Christian manner if questions or concerns arise (see Matthew 18:15).
7. To take an active role in seeing that our child's assigned homework is completed and to provide an opportunity for completing the task.
8. To fulfill our financial obligation to Christ the King Lutheran School, realizing the importance of prompt payment.

All CTK Parents/Guardians must acknowledge receipt and review of this pledge: With the grace and help of God, I understand and fully accept the covenant that I am making and pledge to follow through on the objectives stated above.

Entrance Requirements

Christ The King has adopted the following prioritization for the acceptance of students, should applications exceed classroom capacity. They are:

1. A previously enrolled member of Christ The King Lutheran School
2. Applicant has sibling attending Christ The King Lutheran School
3. Christ The King church member not currently enrolled
4. Non-member with membership in process (process to be completed before the start of the school year)
5. Non-member (date placed on our waiting list)

Should the class be filled for which you are applying, you have the option of being placed on our waiting list for the following school year. You would then be notified during Phase III of our enrollment process. (Refer to Enrollment Procedure on page 6.)

All new students to Christ The King (Kindergarten through 8th grade) will be admitted only after receipt of registration fee, completed application, report cards, attendance and discipline reports, achievement test scores, as well as an entrance exam. Parents must meet with the principal and, if possible, the prospective student's teacher. The CTK admissions board will review every new applicant before acceptance can be given. The admissions board includes: the principal, the pastors, the admissions counselor, and the teacher.

The child's acceptance is based upon meeting the qualifications given above and upon the amount of classroom space available. Placement will be made according to the recommendations of the previous teacher/school, and the results of the entrance exam. Until all records and forms are received, enrollment and grade placement are conditional. If significant information is withheld or there is inaccuracy of information provided, and/or if upon receiving files from the student's previous school there is reason to be concerned about meeting the educational needs of the student, Christ The King reserves the right to reconsider the student's acceptance.

A nine-week probationary period is customary. If the probationary period needs to be modified, the principal will determine the length of probationary period in special cases and the family notified in writing. The termination or continuation of the probationary status will be a matter of review for the principal upon recommendation of the faculty.

A student may be refused admission for any of the following reasons, including, but not limited to:

- Refusal to comply with enrollment policies
- History of not being able to function spiritually, emotionally or academically in a regular classroom
- History of discipline problems or social maladjustment
- The school's inability to provide specialized services such as special education, English as a second language, and other specialized services for which staff is not trained

All required forms (including, but not limited to, the enrollment application, immunization record, parent pledge and tuition contract) must be submitted before a child is officially enrolled.

Preschool Entrance Requirements

To be eligible for the 3-year preschool program, the child must reach the age of three by September 1st. Pre-Kindergarten must reach the age of four by September 1st. All preschool students must be potty-trained and able to use the facilities independently by August 1 before the school year begins.

Kindergarten Enrollment

When applying for enrollment in Kindergarten, a copy of the child's birth certificate must accompany the application. Students entering kindergarten must be 5 by September 1st.

Immunizations and current health form must be submitted by the first day of school for all new students.

Insurance

All students are required to have accident and health insurance. Parents may use their personal health insurance carrier.

Enrollment Policy

Christ The King admits students and administers its educational programs, and athletic and other school-administered programs in accordance with the law. All pupils who enter Christ The King are on a probationary period of nine weeks.

Active Christ The King Member Recognition Policy

CTK families who attend a minimum of 70% of the weekend worship services will receive a credit. Church attendance is tracked through the church office using the Ritual of Fellowship book. MEMBERS, IT IS VERY IMPORTANT THAT YOU SIGN IN EACH SUNDAY. This attendance record pertains to parent or financially responsible party as well as the student. Those members with less than 70% attendance will pay their full tuition payments, while active members will see a credit on their tuition account in January. Kindergarten through 8th grade will receive \$308.00 per student.

Tuition must be paid in the school office, not through regular church envelopes. There will be a \$30.00 charge on all returned checks.

Although tuition for children of member families is considered part of the family's annual contribution to the church, for income tax purposes this amount is not tax deductible. A scholarship program is available for member families whose tuition exceeds their tithe.

Non-Member Tuition Assistance

Christ The King congregation has had a long-standing belief that tuition should not prevent a child from having the opportunity to obtain a Christian education. If any parent feels that they will be able to pay only a portion of the tuition, they are encouraged to apply for tuition assistance by submitting the appropriate application to FACTS, an independent company that reviews all applications and recommends a financial aid amount. Contact the School Office for more information. There is a nominal application fee.

Any questions regarding the tuition assistance process shall be directed to the School Office. It should further be noted that Christ The King does not discriminate on the basis of race, color, nationality and ethnic origin in administration of its educational policies, admissions policies, tuition assistance, athletic and other school- administered programs.

LCMS Sister Church Discount

Christ The King is part of a larger organization, Lutheran Church Missouri Synod. In fact, CTK is the only remaining LCMS school in the downriver area. To help reach out to our sister churches' families and provide them with a quality Lutheran/Christian education, we offer a \$150 discount for active members of these churches. Forms, available in the school office, must be completed by the pastor or church leader before the discount is applied.

Multiple Child Discount

Non-member CTK families in grades K-8 are awarded a \$110 discount per year for the second, third, etc... child enrolled.

Withdrawal Refund Schedule

If elective disenrollment should happen during the school year, a 30 day notice is mandatory to receive any refund on prepaid tuition. The refund will be based as follows:

July 1st – Aug. 31st: 75% of prorated tuition minus yearly fees

Sept. 1st to end of 1st Semester: 50% of prorated tuition minus yearly fees

2nd Semester: No refunds, plus all remaining fees and tuition due upon withdrawal

Delinquent Payment Policy

The school office will work with those families who have trouble meeting their financial obligations. Each situation will be handled individually. Failure to contact the office to make payment arrangements will result in dismissal of your child. Any family delinquent in monthly payments equal to or greater than two months of tuition per child will forfeit the enrollment of their child(ren) until a payment equal to half the amount due has been received. Failure to work toward fulfilling your financial obligation will result in legal action.

Principal's Advisory Committee

CTK has established a "Principal's Advisory Committee" to assist the Principal, especially in matters concerning the institution of new policies or the dismissal of students from enrollment. The committee meets monthly or more often, if necessary. Parents are welcome to address the committee by appointment only. For questions about the PAC or to schedule an appointment, please contact the school office.

Security

CTK provides a safe environment for all students. We comply with all state mandates regarding security and drill procedures.

Weapon Policy

CTK complies with the city ordinance. Weapons, including but not limited to, knives, pocket knives, lighters, matches, fireworks, firearms, are not allowed at any time on campus. CTK prohibits an Open Carry Gun Policy for all individuals, with the exception of uniformed police officers. Individuals with a Concealed Weapon Permit must have authorization from the Senior Pastor on file to have their weapon on the premises.

Preschool - 8th Grade

Doors will open at 8:10 a.m. School begins at 8:25am. Student dismissal is staggered. Students not picked up by 3:15 p.m. will be sent to Extended Child Care and billed accordingly. Extended Care is not offered on half days of school. Half day dismissal is from 11:15am-11:30am. If a student is not picked up after a half day of school, the account will be billed according to the late policy for Extended Care.

Attendance

Students are more likely to succeed academically when they attend school consistently. Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success, both in school and in life. Parents who make regular school attendance a priority are helping their children learn to accept responsibility, and that is an important lesson for a successful life.

It is expected that students be in school each day unless prevented by illness or an unexpected emergency. Homework assignments will be recorded for absent students to receive when they return, unless teacher/parent make other arrangements. In order to be excused on "Take Your Child to Work Day", a note must be sent in prior to the student's absence.

Parents must phone the office by 9:00 a.m. if their student will be absent or tardy. A tardy is when the student is not in the classroom at 8:25 a.m.

In order for an absence to be excused, parents/guardians must submit a doctor's note to the school office. An absence without a doctor's note will be considered unexcused. State truancy laws allow for no more than 10 absences per school year. Reenrollment may be denied based on student attendance.

Due to the difficulty in making up assignments and taking exams, we strongly discourage vacations during the school year. In the event a vacation is planned, classwork will not be available ahead of time. Illnesses, funerals, doctor, dentist appointments and similar circumstances are considered excused.

Illness/Return to School

A student experiencing any communicable disease is asked to remain home until the symptoms have been resolved for 24 hours. This includes, but is not limited to, gastrointestinal issues, influenza, and Covid-19. Students returning to school must be fever free for a minimum of 24 hours without fever-reducing medication.

Should a student become ill during the school day, parents/guardians will be notified by the school office. We expect families to make reasonable accommodations to pick up their ill child at the earliest possible time. Families are encouraged to provide additional emergency contacts to the school office.

Policy Regarding Absences and Make-up of Homework

Absent work

Students are given the same number of days to make up the work that they were absent (i.e. one day absent, one day to return). Absent work may be picked up from the school office at 3pm if prior arrangements have been made with the classroom teacher.

Missing or late work

Students will have one to two days to correct or return work that was not submitted on time. Individual classroom policies regarding additional consequences will be provided by the teacher at the beginning of the school year. This could include missing a special class (gym, music, art, etc.) to make sure work is complete.

Grades 3 – 5

Absent: One day per absence to make up missed work. Late work dropped one letter grade or 10%. Students can re-do an assignment on papers receiving a D+ or lower. They can raise their grade to nothing higher than a C-.

Grades 6 – 8

One week to turn work in after last day of absence to get full credit (no penalty received).
Missing assignments: incomplete assignment slip and email home. Grade earned reduced by: 10% on day 1, 20% on day 2, 30% on day 3, 40% on day 4. 5th day or later will receive a zero.

Visitor Policy and Interruptions

All school visitors must use the school entrance, obtain a visitor's pass in the school office, and sign the Visitor's Log. The only exception is on Wednesday morning when visitors are welcomed to worship with us in chapel. Parents and visitors must not interrupt a classroom. Parents and visitors are welcome in the school office but are not permitted to enter classrooms without prior permission from the school office. Any forgotten items, such as lunch or textbooks, may be brought to the school office.

Student Sign-In and Sign-Out

Should it be necessary for a student to leave the building during school hours for an appointment, parents must report to the school office and sign their student out. The school office staff will phone the classroom and have the student sent to the office. The parent must sign the student back in when they return. Parents are NOT to pick students up directly from the classroom.

The teachers complete attendance forms at 8:25 a.m. Students who arrive after 8:25 a.m. MUST report to the office before going to class. Please inform the office of any scheduled appointments which would cause your child to arrive after 8:25 a.m.

Communication

The CTK School Newsletter is shared weekly by email. A hard copy of the newsletter is available upon request. The newsletter can be found on our home page at www.ctkpanthers.com and lists current information that is updated weekly. CTK uses Gradelink Student Management System which allows parents to view grades, account balances, etc.

Social media communication is available through our ministry website, YouTube channel, Facebook page, and Instagram page. Posts are added to inform and share school and church ministry. Classroom websites are available to parents and students, with specific grade level and classroom information.

School Closing Procedures and Emergencies

In case of an emergency, school closing, and/or important news, we will use our communication system through Gradelink: sending a voicemail, email, and text message. Radio and television stations are also notified. We will be referred to as "Christ The King, Southgate". **IMPORTANT TO NOTE:** To avoid confusion, please be aware there is also a "Christ The King Catholic."

Medication Policy

No medication will be administered by school personnel unless parents have submitted a signed Medication Authorization form (prescription and over-the-counter) on file. The form is available in the school office and can also be accessed online. All medications must be kept and dispensed in the school office. If it is necessary for a student to have prescribed medication (such as inhalers, epi-pens, etc.) on their person, the school office and student's teacher **MUST** be notified.

Allergies are to be reported to the school office and will be entered into the student's Gradelink file.

Trained school personnel will administer minor first aid treatment in case of an injury. The school complies with federal OSHA standards regarding blood-borne pathogens. These include the use of protective gloves by staff when having any contact with body fluids. A parent will be notified immediately in the event of a head injury or deep wound. Notification of other injuries is at the discretion of school personnel.

Immunization Policy

All students shall comply with the State of Michigan required Immunization and Health Laws prior to admission. A Health Appraisal Form must be completed and certified by a health care organization or a physician before the first day of school. Should the parents of a student choose not to have him/her immunized, they are required to schedule a face-to-face appointment with the Wayne County Department of Public Health. The Health Department will

provide information about the benefits of vaccination and the risks of disease. Once this requirement is met, parents will receive their “certified” immunization waiver to bring to the School Office. For current requirements, parents may visit the State of Michigan website at www.mich.gov.

Head Lice Policy

Christ The King has incorporated a 100% nit free policy; therefore, any student found to have head lice will not be allowed to return to school until the condition is resolved.

Curriculum Overview

Religion Instruction

All children receive daily Christian instruction. Our religion program, Biblically-based instruction through God’s Word and stories from the Bible, is designed to introduce our students to their Savior and to teach about God and His great love for them. Students are also taught how the precepts of God's Word will have a positive effect on their lives. Lutheran doctrine is presented, but Christian principles are emphasized. Our religion curriculum is not designed to lead to confirmation. If a family is interested in being confirmed at Christ The King Lutheran Church, please contact the Church Office (734) 285-9695.

On Wednesday mornings, children meet for chapel services. Led by staff, individual classes, and invited guests, children worship God in a warm, positive setting. Parents and guests are always welcomed and encouraged to attend.

A Scope & Sequence of our Preschool Program is available online (www.ckpanthers.com) and upon request from the school office.

Homework

Parents should expect their children to receive homework on a regular basis, depending on the each classroom’s policy. While some time is usually allotted to work on assignments throughout the day, most students should still have assignments to complete at home. CTK encourages a

home/school connection. Homework should not take an excessive amount of time. Should your child be spending an unreasonable amount of time completing assignments, please contact your child's teacher.

Testing

K-8 students will be given the NWEA Achievement Tests in the fall and spring. Our K-8 students take the iReady test in Math and Reading twice per school year. Results are available to parents.

Resource Room

Your child's academic growth is very important to us. God has created each of us with different strengths and weaknesses. If your child's weakness may be in a particular subject area or with study skills as a whole, a resource teacher is available to work with your child individually or within a small group.

Academic Distinction

CTK recognizes the top three academic achievers in each eighth-grade class and top seventh grade student each year. Calculations are based off quarter, mid-term, and final grades in seventh and eighth grade. Traditionally, these top three students are designated with the titles: valedictorian, salutatorian, and class essayist. In the event of a tie for valedictorian, CTK will not recognize a salutatorian. If a tie occurs for class essayist, CTK will recognize the top four academic achievements.

The CTK chapter of the Lutheran Junior Honor Association recognizes outstanding academic and service achievement. Eligible students in grades 5, 6, 7, and 8 will be invited to apply for membership after completion of the first semester.

Special Academic Needs

For students with special academic needs identified by a Michigan Non-Public School Service Plan, a 504, or other medical documentation, Christ The King will implement the following practices:

1. Baseline skills assessment
2. Team conference (teacher(s), parents, principal) held when:
 - a. Excessive teacher attention is needed in classroom
 - b. Achievement test results show a two grade deficit in abilities
3. Any modifications or adjustments in assignments or grading are agreed upon between parents and teacher and noted on report card
4. Incorporation of increased skill integration (i.e. spelling in creative writing, language in social studies, etc.)
5. Direct, clear communication

Remediation or reteaching is available through the Resource Room on a limited basis for qualifying students.

Parent-Teacher Conferences

Academic conferences are scheduled at the end of the 1st quarter (early November). 3rd quarter conferences (mid March) are available upon request. Parents are encouraged to arrange for individual conferences at any time to discuss their child's progress.

Retention Policy

It is the policy of Christ The King Lutheran School to ensure all students are placed at appropriate grade levels. Promotion to the next grade level is based on many factors. There may be instances in which the child's academic and social performance will require that the student be retained in a grade.

The following procedures shall apply in the case of retentions in grade:

1. No later than the end of the second quarter, the classroom teacher shall determine whether any of the students in his/her classroom are in danger of requiring retention based on lack of significant academic progress.
2. If the classroom teacher determines that a student is in danger of requiring retention, the teacher must give written notice to the parents or guardians as soon as possible, but in any event no later than the last day of the third quarter.
3. All communications should be supported with evidence of student work and documented for future reference.
4. The decision to retain a student in grade shall be made by the building principal on recommendation of the student's teacher. The teacher shall make the recommendation to retain the student no later than May 15th and provide the parents or guardians with a verbal and written notice of the decision to recommend retention. The building principal

shall make the determination to retain a student in grade no later than May 15th of the year.

5. The principal and teacher may consider the following factors when determining whether to retain a student in grade:
 - a. Academic Achievement
 - b. Student's Effort and Ability
 - c. Developmental Readiness: Cognitive, Social, and Emotional
 - d. Testing Data and Work Habits
 - e. Attendance Records

Graduation Requirements

Graduation from Christ The King Lutheran School will be based on the student's academic achievement, effort and ability, and attendance record. Those who qualify based on the above criteria and have paid all tuition and fees will receive a Diploma of Graduation. Academic Transcripts will be held for those with an outstanding balance.

Dress Code

External appearance reflects an attitude of pride in self, school, and community. Students are expected to be in proper dress code each day starting with the first day of school.

Student Responsibilities

Participation: Students are responsible to be actively involved and committed to the activity of learning. They are expected to attend classes and school functions. Every student is responsible for completing all work assigned by his/her teacher(s).

Student Conduct

No organization can exist without certain guides to regulate its functions. Students at Christ The King Lutheran School are members of a community involved with other people who have rights, feelings, ambitions, and desires that need recognition and consideration. Mutual respect, concern, and the love of God should guide our relationships at Christ The King. Our actions should reflect that we are a Christian community.

Above all, students at Christ The King Lutheran School have a right to learn. We strive to see that this right is protected. Any conduct that interferes with a fellow student's right to be in a healthy learning environment will be considered a serious matter. Disruptive behavior in the classroom is not fair to the students and to the teacher because it interferes with what school is all about - learning.

Respect for People

We are committed to recognizing the value of our ongoing relationship to the community. Students are expected to be courteous and respectful to others: administrators, teachers, school staff, volunteers, parents, other students, peers, and all guests to our school in all their interactions.

Character Education Program

"Yet, O Lord, you are our Father. We are the clay, You are the potter; we are all the work of Your hand." Isaiah 64:8

It is the goal and philosophy of Christ The King Lutheran School to promote character attributes which combat negative influences in society. Positive traits are taught to promote character that is distinctly different than the societal norm and leads our students to lead God-pleasing lives as young adults.

7 Pillars of Character as listed below.

| | | | |
|-----------|----------------|-----------------|---------------------------|
| Reverence | Responsibility | Respect | Trustworthiness/Integrity |
| Fairness | Citizenship | Care/Compassion | |

Respect for Property

A school environment should be treated with care. A clean, orderly, unmarred school environment is a happier place to be than one in disarray. Students should take care to not refuse in a proper receptacle. Students should respect all school property and the property of other students. They should not deface or damage school walls, lockers, doors, desks, books, or equipment. Gum chewing is not permitted on CTK premises at any time.

Lunch/Recess Behavior

Students may never leave school grounds during lunch or recess without expressed, pre-arranged parental permission AND office notification. Students eat lunch in the lunchroom and are supervised by their teachers. Students should carefully clean up their places before leaving. Lunch trays, silverware, and garbage should be placed in the proper receptacle.

Students should consume the lunch they've bought or brought from home. Sharing food with others is not permitted. Throwing food or other objects, tampering with another's food, horseplay, or other forms of poor dining room behavior, as well as failure to comply with any lunchtime rules or instructions, will result in disciplinary action.

All students must remain within the recess boundaries (in the gym, on the playground, on the black top). Students should avoid rough play during recess, inside or outside. Behaviors such as, but not limited to, include tackle football, snowball throwing, pushing, pulling, and shoving others and are not allowed. The supervising teachers and/or recess parent supervisors have the final say in interpreting the above rules. All supervisors should be respected and his/her directives followed.

Cell Phone/Electronic Device Policy

Students are permitted to have cell phones and personal electronic devices (Apple Watches, iPods, iPads, Chromebooks, etc.) in the building. Authorization forms MUST be on file in the office. All devices will be turned off or placed on silent and kept in students' lockers or bookbags. Students may not use their phones to make calls, send texts, or take photos at any time throughout school hours without teacher permission. In the event a student must contact a parent, all communication will come through the office phone. Exceptions may be granted for special cases by the principal. AT NO TIME ARE PHOTO TAKING DEVICES PERMITTED IN

LOCKER ROOMS OR RESTROOMS. Cell phone usage on field trips is at the discretion of the teacher. Smart Watches may not be worn during the school day. Violations of the rules result in confiscation of the device, and it will be released to a parent only. Our device policy was created to enhance learning and reduce distractions for our students. Repeated violations will result in the loss of privilege to bring devices to school.

Bullying and Cyberbullying

Christ The King Lutheran School defines bullying as any gesture, written, verbal, or physical act that will have the effect of harming a person or damaging their property or placing them in reasonable fear of harm. Bullying has the effect of insulting or demeaning the person or group in such a way as to disrupt or interfere with the school's educational mission. Harassment, intimidation, and bullying not only refer to what transpires at school or on school grounds, but also on the Internet.

Christ The King Lutheran School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken seriously. Students making such threats (seriously or in jest or online) face detention, suspension, and/or expulsion.

Engagement in online sites such as, but not limited to, YouTube, Facebook, SnapChat, Instagram, etc. may result in disciplinary action if the content of a student's post includes defamatory comments regarding the school, the faculty, other students, or the church.

WE EXPECT PARENTS TO ACTIVELY MONITOR THEIR CHILD(REN)'S CYBER ACCOUNTS.

Off-Campus Conduct

The administration of Christ The King Lutheran School reserves the right to discipline its students for off-campus behavior that is contrary to behavior expectations during the course of the school day. This off-campus (sister schools, field trips, community venues, home) behavior includes, but is not limited to, cyberbullying.

Expectations and Consequences

Our philosophy of discipline is based on Eph. 6:1 "Children obey your parents in the Lord, for this is right. Honor your father and mother, that it may be well with you, and that you may live long on the earth."

Since the school is understood to be "in loci parentis" (in place of parents), discipline in our school must be an extension of discipline in the home. We, therefore, need your total cooperation and support. The guidelines of student conduct are outlined in this book and will serve as a basis for our discipline code

It is essential in a school setting that a safe and orderly environment is maintained. Whenever student misbehavior is addressed, we will try to maintain a consistent, fair and reasonable

approach to corrective action. It is our goal to strive for appropriate and acceptable student behavior in all school activities. Listed below are examples of possible student misbehaviors. These misbehaviors are divided into categories based on the severity of the offense.

Accompanying each list of misbehaviors is a list of possible consequences for that level. The administration reserves the right to classify any unlisted behaviors into the level it deems proper and enforce consequences accordingly.

Expulsion: the permanent removal of a student from enrollment as a sanction for inappropriate student behavior.

The discretion of the principal is used in all violations, including those which are deemed extreme or serious and may not be listed above.

The principal may expel from school students for reasons that include, but are not limited to, extreme or serious violations, habitual insubordination, disorderly conduct, and the endangerment of the health, safety, or morals of other students.

Sexual Harassment Policy

I. The Policy

- A. It is the policy at Christ The King Lutheran School to maintain a learning and working environment that is free from sexual harassment. It shall be a violation of this policy for any member of the CTK, faculty, staff, parent, volunteer, or student to harass another member of the school community through conduct of

communications of a sexual nature as defined in Section II. Sexual harassment, as prohibited by this policy, will not be tolerated.

II. Definitions

- A. Sexual harassment shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by a faculty member, staff member, parent, or volunteer of the school to any other member, adult or student when:
 - 1. Submission to such conduct is made either explicitly or implicitly a condition of employment or educational advancement;
 - 2. Submission or rejection of such conduct by an individual is used as the basis for educational or employment decisions; or

 - 6. Suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning grades, job and the like.

III. Procedure

- A. Any student who believes that he/she has been subject to sexual harassment as prohibited by this policy may complain to any other adult teacher or employee of CTK with whom she/he feels comfortable discussing the matter. Parents may communicate complaints on behalf of their children to their child's teacher, the school principal, the chairperson of the Vestry, or the pastor, whichever individual was not the alleged harasser.

Within 24 hours of receiving a complaint of sexual harassment, the adult receiving the complaint shall immediately complete and forward a written Harassment Report on a form to be approved by the Vestry to the school principal or chairperson of the Vestry. If the principal is the alleged harasser, the Harassment Report shall be forwarded only to the chairperson of the Vestry.

- B. Sexual harassment is illegal in many circumstances under both state and federal law, and violations of this policy may be reported to the appropriate civil or criminal authorities for prosecution of offenders.

Forum Resolution

When a conflict situation, or offense arises: parent to parent, parent to teacher, parent to administration; we will attempt to follow Jesus' formula spelled out in Matt: 18 to resolve the conflict.

Matt: 18:15-17 "If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church, and if he refuses to listen even to the church, treat him as you would a pagan or a tax collector."

LEVEL 1: Two parties meet, discuss the problem and try to come to a solution that is satisfactory to both. If this is accomplished the matter is concluded.

LEVEL 2: If the conflict is not resolved at Level 1, then the two parties meet with a Forum team consisting of the Principal and 2 teachers (Upper and Lower Elementary) to help, discuss, and hopefully resolve, the problem. An unresolved resolution would advance to Level 3.

LEVEL 3: Parties involved meet with the Principal's Advisory Committee and Pastoral representation, in an attempt to resolve the conflict.

Observing these steps, we seek to resolve situations needing healing with spiritual and Biblical principles.

Hot Lunch Program

Hot lunch is prepared daily. The cost of the meal is \$3.50. Milk is \$1.25 per carton; apple juice is \$1.25. The cost for seconds of the main item is \$.75. Lunch menus are available on the school website (www.ctlpanthers.com). Hot lunch charges can be viewed on Gradelink. Payments should be made monthly.

In order to keep the costs low, parents of students in preschool – 8th grade are asked to assist a minimum of two times in the lunch program during the school year. Parents/guardians may be asked to help serve the meals, assist students, and/or clean up the kitchen. The parent/guardian is to be present at 11 a.m. and assist until approximately 1 p.m. Parents desiring to opt out of this program may pay the \$100 buy-out fee.

The volunteer schedule will be created through Sign Up Genius. It is your responsibility to check the schedule and select days that you can assist. If you are unable to work your scheduled day, you must contact the school office a minimum of three days before your scheduled date.

If you do not come in on your scheduled day and have not arranged for a substitute, you will be charged a "no show" fee of \$50.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, age, or disability. Persons with disabilities who require alternate means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

Athletics

Student athletes in grades 5-8 desiring to participate in extracurricular athletics need a sport physical prior to the team's **first practice**. There will be a \$20 fee for each sport in which a student participates. The fee is to be turned in with the permission slip. Rules and regulations regarding athletics will be explained at a parent meeting prior to each sport. Parent volunteers are needed to assist at home games. You are required to work up to four times a season. If you do not fulfill your volunteer obligation, your account will be billed \$50 for each missed session.

Our school participates in the Western Lutheran Athletic League. For more information visit wlalsports.org.

Athletic Eligibility Policy

All student athletes will be evaluated on a bi-weekly basis beginning with the first official practice of each sport to determine their athletic eligibility. To remain eligible, the student must maintain a "C-" average or above in all subjects. If a student is receiving a current grade of a "D" or an "F" in any subject, he/she will be on probation and will have three weeks to raise that subject's grade by 1 letter while maintaining a "C-" average or above in each of the other subjects. Any student not meeting the eligibility requirements will progress through the following steps:

Step 1- An ineligible student will be placed on academic probation for a three-week period. This is defined as a warning in which the student may still practice and play.

Step 2- If a student remains ineligible at the end of the probation period, the student is suspended from practice and game participation during the next two weeks.

Step 3- If a student remains ineligible after the two-week suspension, he/she will be prohibited from participation in that activity for the remainder of that season.

Drivers will need to complete or update a Field Trip Transportation Form for each outing. Drivers must adhere to all safety precautions, including no speeding, smoking or texting, and may not make any unauthorized stops.

Christmas Program

The philosophy of Christ The King Lutheran School is based on Matthew 28 which commands us to reach out to the lost and make disciples of all nations. The Children's Christmas Program is a golden opportunity to witness to family, friends, and community. We view attendance for the practices and performances not as an option, but as a joyful duty in response to Christ's love for the world. We expect our CTK students to participate accordingly, unless poor health or an emergency prohibits your attendance.

Pet Policy

Unless special arrangements have been made through the school office, pets should not be brought to school. In consideration of children who may be frightened by or allergic to some animals, pets must remain in cars.

Room Parent Information

Room parents are an important part of our school program. They work with the teachers in helping to plan and organize various parties and special events throughout the school year. A room parent information meeting will be held at the beginning of each school year to discuss responsibilities.

Graduation Ceremonies

First grade families serve as hosts for the Kindergarten graduation in June. The Room Parent(s) should contact the Kindergarten teacher to work out specific details regarding the graduation and reception.

Seventh grade families serve as hosts for the Eighth grade graduation in June. The Room Parent(s) should contact the seventh grade teacher to also work out specific details regarding the graduation and reception.

Party Fund

A \$10.00 fee is collected annually, and included in the tuition and fees, from each student to be placed in a room party fund. \$5.00 is to go toward teacher and aide gifts and \$5.00 is to be used to purchase refreshments for special events. Room parents should turn in all receipts for reimbursement to the school office for in a timely manner. Reimbursements will not exceed class funds.

Teacher Birthdays and Christmas Gifts

Teachers' birthdays can be celebrated in the classroom. Room Parents will NOT send a note or call parents of children in the teacher's homeroom asking for donations to purchase a gift for the teachers. The gifts will be purchased out of monies collected with registration. If families wish to give an additional gift, they may do so on their own.

Student In-School Birthday Celebrations

We welcome the opportunity to celebrate each student's special day. Parents and guardians are welcome to send in birthday treats to share with the student's class, teacher, and school staff. In order to minimize distractions and keep celebrations consistent, we ask only **one type** of birthday treat be sent.

Invitations for Private Parties

Please be considerate when planning a party outside of CTK. Unless you are inviting the entire class or all the boys/girls, please do not distribute invitations at school. This will hopefully alleviate any hurt feelings on the part of those not invited.
